

7TH ANNUAL IRRIGATION LEADER OPERATIONS AND MANAGEMENT TRAINING WORKSHOP

Sponsored by *Irrigation Leader Magazine*
Phoenix, Arizona
January 23–24, 2019

IRRIGATION LEADER magazine is sponsoring the 7th Annual *Irrigation Leader Operations, and Management Training Workshop*. This year's theme is "Constant Improvement Through Training."

Regular attendees will note the addition of *Training* in our workshop title. This indicates our increased emphasis on training and assisting irrigation districts and water agencies foster cultures of safety and constant improvement. As in past years, our workshop is designed to provide an opportunity for general managers and directors of irrigation districts and water agencies to discuss ideas and exchange information on a variety of district operations and management-related issues, to build out-of-state working relationships, and to learn from their peers. The issues and topics have been selected by general managers and board directors and pertain directly to the management and improvement of irrigation districts and water agencies.
